DEPARTMENT OF M.COM

LECTURE SESSIONS

LECTURE SESSIONS

Knowledge, competency as well as motivation of students gets elevated when they are given an opportunity to listen to subject experts. With initiation and support of Dean Prof. Shyjan, the department has conducted two guest lecture sessions by inviting three subject experts from Human Resource and Finance stream.

- 1. Prof.Dr.Bhargavi.V.R., Director,Department of M.Com, Seshadripurm College delivered an interactive lecture on 28-11-2017"**Recent trends in Human Resource Management**" enhanced awareness of students on what kind of next generation human resource an industry requires and under which environment employees have to function in future.
- 2. Dr. H.R. Badrinath, Professor and director, MBA (entrepreneurship) Jain University delivered an interactive lecture session on the current and important topic in Finance on "Derivate markets and their functonality" on 12-12-2017 and 15-12-2017 and enriched the knowledge of students on various aspects of derivate markets.

3. "The Guest speaker, Prof. Mohammed Umair. M.COM from Bangalore University and PGDHRM from – university. Currently working as Professor at St. Joseph's college. Bengaluru.

Delivered a lecture on "Wealth Creation through Financial Planning" on 10th March,2018 He provided various inputs on how one can cultivate their saving habits, and the need for money in this fast growing economy. He also emphasized the insurance and the benefits that one person gains from being insured. Prof. Mohammed also spoke about the gain in investing in stock market for a longer run. In this particular session sir also spoke about the risk involved in investing funds in stock market due to poor knowledge about the investment decision and wrong decision based on selection of company and proper portfolios.

Sir also spoke about the key point which has to be followed by a person who has an idea of investing in share market like, examining the performance of the company, growth status, operating cost and other such factors which affect the stock market rates of that particular company.
