About the  
CONFERENCE

This KRUP TACON, International Physiotherapy Conference anticipates International & National Speakers, participants including key note speakers around the country and globe and also all honorable authors, researchers, scientist and students are encouraged to contribute and help to shape the conference through submissions of their posters & research abstracts. This would be conceivably a colossal event that creates an ideal platform to share expertise addressing emerging scenarios in the field of Physiotherapy focusing on certain key areas in Neurological, Musculoskeletal, Cardio-Respiratory, Sports, Pediatrics, Geriatric Rehabilitation and Women's Health. It will be a wonderful opportunity for all the delegates as it provides an international networking opportunity to link with the world class Physiotherapists and Physiotherapy Researchers.

**ORGANISER**

**K**rupanidhi Group of Institutions, was founded in 1985 under the leadership of Prof. Dr. Suresh Nagpal, started with the centre goal of nurturing as many young minds in the country as possible; we have gone global in this drive with students from 30 plus countries with us now. Our residential campus with multi-ethnic and diverse setting hosts 6500 students who bring in uniqueness from all corners of India as well as from various parts of the world.

Krupanidhi College of Physiotherapy was established more than two decades ago and is the first college to start Physiotherapy course in Bengaluru; fostering the young Physiotherapists by turning them into their best every year. We ensure that we deliver our best to the students and hence are involved widely in enhancing knowledge by exploring vivid spheres of Physiotherapy with the help of conferences and workshops. Every faculty and student in KCPT is encouraged to involve themselves in various research projects. The institution is being privileged to be awarded "The Best Institute for Research and Innovation in Higher Education" by INDIA DIDACTICS ASSOCIATION.
